

SMART CONCRETE®

## 20-YEAR PRODUCT WARRANTY

### General

Hard-Cem is a safe and effective additive for concrete and mortar that is guaranteed to dramatically improve the wear characteristics of concrete and its resistance to abrasion or erosion. Hard-Cem will deliver the described performance without the need to increase cement content and thus can be a valuable part of any carbon reduction strategy.

### Limited 20-Year Product Warranty

For a period of twenty (20) years, commencing the date on which the concrete is placed, Kryton warrants to the owner that the concrete will remain hardened and abrasion resistant. In the event that the concrete fails to remain hardened and abrasion resistant, Kryton will supply sufficient hardener to treat any such defective area at no charge.

### Conditions

This warranty is conditional on demonstrated proof that Hard-Cem has been added to the concrete mix at no less than the manufacturer's recommended dosage rate and that all other manufacturer's instructions have been followed. Warranty is void if structural faults occur due to faulty workmanship, faulty design, failure of products or ingredients other than Hard-Cem or abnormal use, abuse or alteration of the floor. Concrete mix design must be suitable for the exposure class present. Concrete must be properly proportioned, mixed, placed, finished and cured. All invoices owed to Kryton related to this project must be paid in full.

### Limitations

This limited warranty contains the entire obligation of Kryton. The provisions of this warranty shall constitute the owner's exclusive remedy. No other warranties, express or implied, shall apply, including any warranty of merchantability or fitness for a particular purpose. In no event shall owner be entitled to recover incidental, indirect, consequential or punitive damages including but not limited to, damages for delay, inconvenience, loss of profits, cost to procure substitute goods or services, or other commercial loss. No representative of Kryton has the authority to make any representations or provision except as stated herein.
