

KRYSTOL[®] ASSURANCE PROGRAM[™]

10 YEARS MATERIALS AND LABOUR WARRANTY

TAKING THE RISK OUT OF CONCRETE WATERPROOFING

All Kryton products are covered by our standard warranty, which guarantees every product is free from defects of manufacture. Our extended Krystol Assurance Program is a 10-year warranty that covers all labor and materials required to repair any leaks that occur at no costs to the owner or builder.

Be sure & build with Kryton.

The Krytol Assurance Program is a performance-based guarantee that includes a robust, all-inclusive material and labor warranty as well as a premium quality control service.

The warranty period is 10 years starting from the day the waterproofing system is completed and dry. From there, Kryton will supply all materials and labor required to repair any leaks that occur at no cost.*

The Krytol Assurance Program

- Guarantees Krytol® treated areas remain watertight
- Enhanced quality control and supervision
 - Mix Design review
 - Construction detail review
 - Supervision during placement of KIM® treated concrete
 - On-site training for Kryton's Krytol® Waterstop Joint System
 - Quality Assurance
